Run by the community for the community

Swimming is a vital life skill which improves your cardio-vascular health, burns lots of calories, and supports your mental well-being. It's especially beneficial for older adults, people who are pregnant, those with disabilities, and people recovering from injuries. Plus, it's fun for all ages!

About Us

We are a community run charity. We provide a warm and welcoming, family-friendly pool, offering activities for all ages and abilities seven days a week.

BIRTLEY COMMUNITY POOL

Birtley Community Pool

Whether you're looking just to swim a few lengths, improve your fitness and technique, or simply have fun with your family, we have something for everyone. Please come along and experience the benefits of swimming while supporting your local community pool.

Pick your activity

£5 adult, £3 child, £1 baby

Public and Lane Swimming

Available daily, including the baby pool. Discounted rates are available for families swimming together. Our pools are kept warmer than average: 29°C for the main and improver pools, and 31°C for the Small pool.

£7 per session

Aquafit Classes

Sessions are on Monday evenings, Tuesday lunchtime, and Wednesday and Friday mornings. No booking needed. Session price is discounted to £6 if you have a membership.

£4.50 child £5 adult

Family Fun Sessions

Join us on weekends for inflatable and water slide sessions—no booking required! The obstacle course is for ages 8+ (or 4-8 with adult supervision), two at a time. The slide is open to all, with under-5s needing an adult. Not included in membership.

£2.50 per child

Soft Play

Our Community Room offers daily soft play for young children, with tables and chairs and free Wi-Fi for parents.
